

Please give your evaluations about the behavior of the other person as in the following example. If you think the behavior of the other person is good, then choose one of the points closer to good on the left side, depending on how good this behavior is for you.

Good ☐ ☒ ☐ ☐ ☐ ☐ ☐ Bad

Similarly, if you think the behavior is rather bad, then choose a point closer to bad on the right side, depending on how bad you perceive it.

Good ○○○○○● Bad

If you think the behavior was rather neutral, then choose a point closer to the middle.

Good ○○○●○○○ Bad

I think the other traffic participant / the behavior of other traffic participant was
